READ THIS AGREEMENT CAREFULLY BEFORE YOU ORDER YOUR NEW LIFEGUARDIAN SYSTEM.

- 1. AGREEMENT PARTIES.** Subscriber understands this Service Agreement (hereafter referred to as the "Agreement") is solely by and between LifeGuardian Technologies, LLC, a Nevada Limited Liability Company (hereafter referred to as "LifeGuardian") and the subscriber (hereafter referred to as the "Subscriber") for use of a personal emergency reporting system (hereafter referred to as the "System").
- 2. SUBSCRIBER INFORMATION.** Subscriber agrees to immediately update, and keep current at all times, all information contained on the Subscriber Account Information Form and to immediately report or transmit any/all changes or cancellation, in writing, to LifeGuardian by FAX to 800-209-3813 or by mail to **LifeGuardian Technologies, LLC, 125 Old Grove Road, Ste 9 PMB 310 Oceanside, CA 92057**. Information required to be kept current at all times are, but are limited to, subscriber telephone & address information, medical information, billing/bank account information and credit card expiration dates.
- 4. INSTALLATION & TESTING.** SUBSCRIBER ACCEPTS SOLE AND COMPLETE RESPONSIBILITY FOR SYSTEM INITIAL INSTALLATION, OPERATION, MAINTENANCE AND WEEKLY TESTING. Weekly testing of the System is required to insure System is functioning correctly. If subscriber chooses not to test the System every week, subscriber agrees to release and hold harmless LifeGuardian from any/all liability should the System fail to operate in the event of an emergency.
- 5. MONITORING SERVICES.** Monitoring services consist of the receipt, analysis and response to signals from the Subscriber. Signals from the system maintained by Subscriber at the Subscriber's premise shall be monitored by a nationwide UL listed & licensed alarm monitoring center which is not affiliated with, owned or operated by LifeGuardian. The monitoring company shall monitor the Subscribers System by acknowledging signals from the console and seeking to create two way voice communication with the subscriber at his premises through the system, Thereafter, monitoring center may seek to contact by telephone one or more of the responders designated in the agreement.
- 6. EVENT REPORTING.** Upon receipt of an alarm signal from the premises of Subscriber, the monitoring center will make every reasonable effort to promptly notify the police, fire department or paramedic units having jurisdiction or other persons or entities designated by Subscriber in the Subscriber Account Information Form provided by Subscriber. Subscriber agrees that the System may enable the emergency dispatchers to "listen in" to Subscriber's premises and to establish two-way voice communications with occupants of the premises. Subscriber authorizes the monitoring center to utilize this feature upon receipt of an alarm to authenticate the nature of the emergency and to ascertain whether or not an emergency condition exists. THE MONITORING CENTER MAY, IN ITS SOLE DISCRETION, ELECT NOT TO NOTIFY THE PARAMEDICS, POLICE OR FIRE DEPARTMENT OR OTHERS IF CENTER HAS THE SLIGHTEST REASON TO BELIEVE THAT AN EMERGENCY CONDITION MAY NOT EXIST. Subscriber acknowledges that the LifeGuardian is unable under any circumstances to activate the listen-in feature from the monitoring center without having it's received an alarm signal. The subscriber or his designee agrees to notify LifeGuardian of the disposition with regard to any System signal within twenty-four hours (24).

If the Subscriber has two (2) or more telephones using the same telephone number, Subscriber may need to install either a dedicated telephone line or a RJ31X jack to insure proper System operation. The RJ31X jack allows the System to send a signal over the phone lines even though any phone is in use or off the hook. Any System without the RJ31X cannot communicate with the LifeGuardian under those specific circumstances. Please note that the RJ31X jack is an optional item and that the System will communicate without it providing the phone is not in use or off the hook.
